Note: I have been Department Chair for the Games Software Design and Production programs for DigiPen Singapore, as well as Department Chair for the Information Systems and Technology program at the University of Phoenix Reno campus.

I enjoy creating classes, delivering courses, and have been teaching and training in some capacity for over 20 years. In another life as an Instructional Designer, I worked in Organizational Development and was a past Chapter President for the Association for Talent Development (Formerly the American Society of Training and Development). I'm a life long learner, and I like sharing the skills and knowledge.
